

# *ANZTLA 2011 Statistics*

*by Kerrie Stevens*

*ANZTLA Statistician*

ANZTLA Statistics are compiled annually from data provided by ANZTLA member libraries on a voluntary basis.

The reporting categories are described as follows:

A Provides clergy training programmes (ie: The Australian and New Zealand Association of Theological Schools [ANZATS] member schools) and/or schools and training institutions which offer broad theological training (ie: Bible Colleges, Missionary Training Institutions) possibly leading to degree or post-graduate qualifications

B Do not have students (ie: church administrative libraries, resource centres, para-church organizations, etc.)

C Institutions offering non-theological courses in addition (ie: teacher training)

Data has been entered as submitted by the libraries. Any questions should be directed to the libraries concerned.

Thank you to all libraries who contribute to the ANZTLA Statistics!
