

ANZTLA 2023

Statistics

By *Kerrie Stevens*
ANZTLA Statistician

ANZTLA Statistics are compiled annually from data provided by ANZTLA member libraries on a voluntary basis. All ANZTLA Libraries are encouraged to contribute their data.

The reporting categories are described as follows:

- **A** - Provides clergy training programmes (i.e.: The Australian and New Zealand Association of Theological Schools [ANZATS] member schools) and/or school and training institutions which offer broad theological training (i.e.: Bible Colleges, Missionary Training Institutions) possibly leading to degree or post-graduate qualifications;
- **B** - Do not have students (i.e.: church administrative libraries, resource centres, para-church organisations, etc.); and
- **C** - Institutions offering non-theological courses in addition (i.e.: teacher training).

Data has been entered as submitted by the libraries. Any questions should be directed to the libraries concerned. Of the 70 institutional members in 2023, 31 responses were received covering 39 libraries, equating to a 56% response rate. Disappointingly, this was a significant drop in responses from the previous year.

Note: Data from Table 4 Loan Periods has not been included in this compilation of statistics due to the likelihood that loan periods generally do not change very often. These tables will be included in the published annual statistics every five years.

Thank you to all libraries who contributed to the ANZTLA 2023 Statistics!
