**52 Anastylis at Machaerus**  
*David Sims*  
 Machaerus—Jordan's palace fortress where Saladin dined and John the Baptist was beheaded—remains alone in surroundings east of the Dead Sea. This impressive site has recently been restored using an innovative technique original to the site. David Sims explains this process, radical analysis.

**63 Commemorating a Covenant**  
 This monumental building stands exactly the Queen High Place. These artefacts—some more than 10 feet tall—have intrigued visitors for years. What's the purpose of these stones? Were they set up to commemorate a covenant made in the past?
