**A Message From The Principal**

The Fiji College of Theology and Evangelism was born out of the desire to obey the Apostle Paul's injunction. "The thing which have heard from me in the presence of many witness entrust these to faithful men who will be able to teach others also" 2 Tim. 2:2). For the thirty four years we have been faithfully following this command. Now our graduates are serving the Lord in many South Pacific countries, including Australia and New Zealand.

The College upholds the Bible as the inerrant infallible Word of God. It is committed to teaching, defending and applying the Bible within the tenet of evangelical, pre-millennial, dispensational theology. (Dr. Narayan Nair)
