Section One: New and Changed Subject Headings
Compiled by Joanna Hause

The subject headings in this list were selected from the Library of Congress Subject Headings Weekly Lists, available on the Library of Congress web site at:

This list consists of headings selected from the Library’s list numbers 4-7 of 2012.

The following conventions are used, as in previous lists:

Headings are in a single alphabetical sequence, preceded by MARC tags. The record number (Library of Congress control number) follows the heading. The absence of the instruction [May Subd Geog] means that the heading is not to be further divided by place.

The following print constants appear:

UF = Used For
BT = Broader Term
RT = Related Term
SA = See Also
* Asterisks mark lines (or paragraphs) that are CHANGES.

Selected changes to free-floating subdivisions are at the end of the list.
