“We have temporarily suspended mapping new Library of Congress Subject Headings to suggested DDC numbers to make room for a project to add DDC numbers to the authority records for BISAC (Book Industry Standards and Communications) subject headings. We will resume LCSH-DDC mappings in 2011.” —
Section Two, Part 2: LC Classification  
Additions and Changes, B-BX  
Compiled by Eric Friede

The entries in this list were selected from the Library of Congress, Policy and Standards Division's Library of Congress Classification List, 01(2012:January 16) to 03(2012:March 19).

The lists of additions and changes to the Library of Congress Classification are posted on the LC Cataloging and Acquisitions Web site as they are approved monthly.  
The lists are at: http://www.loc.gov/aba/cataloging/classification/weeklylists/

The class letter identifies the schedule to which changes and additions are made. New captions are accompanied by a full hierarchy as necessary; changes are indicated by a cancelled line and the addition of a new line. Changes are also highlighted in gray. Numbers that appear in square brackets are not printed in the printed editions of the classification schedules. They are shown on this list only to indicate the location of the corresponding caption or reference within the classification.

This list also includes selected changes and additions outside the B-BX classes relating to religious topics or library science.
