

John Attig, the ALA representative to the JSC, has requested that ATLA and the Catholic Library Association to prepare a proposal to revise the rules for the individual books of the Apocrypha. Currently, the RDA rules are contradictory, directing the books to be entered directly under Bible, and in a sub-rule, directing the books to be entered subordinate to the Apocrypha. The Taskforce will consider the issue and will propose a rule revision to remove the contradiction. Anyone wishing to participate in this taskforce's deliberations should contact Judy Knop, jknop@atla.com.
