“We have temporarily suspended mapping new Library of Congress Subject Headings to suggested DDC numbers to make room for a project to add DDC numbers to the authority records for BISAC (Book Industry Standards and Communications) subject headings. We will resume LCSH-DDC mappings in early 2011.” —
Section Two, Part 2: LC Classification
Additions and Changes, B-BX
Compiled by Eric Friede

The entries in this list were selected from the Library of Congress, Cataloging Policy and Support Office's Library of Congress Classification Weekly List, 4(2010:January 27) to 16(2010:April 21).

“Weekly lists of additions and changes to the Library of Congress Classification (LCC) are posted on the Cataloging Policy and Support Office Web site [at http://www.loc.gov/aba/cataloging/classification/weeklylists/] as they are approved”-- Library of Congress Classification (LCC) Weekly List.

The class letter identifies the schedule to which changes and additions are made. New captions are accompanied by a full hierarchy as necessary; changes are indicated by a cancelled line and the addition of a new line. Changes are also highlighted in gray. Numbers that appear in square brackets are not printed in the printed editions of the classification schedules. They are shown on this list only to indicate the location of the corresponding caption or reference within the classification.

This list also includes selected changes and additions outside the B-BX classes relating to religious topics or library science.
