Section Two: LC Classification Additions and Changes, B-BX and Selected Others
Compiled by Ann Heinrichs

The entries in this list were selected from the monthly Library of Congress Classification (LCC) Approved Lists. LC's Policy and Standards Division posts these lists on the Library of Congress Cataloging and Acquisitions web site at: http://www.loc.gov/aba/cataloging/classification/weeklylists/.

Items listed here reflect the most recent information available at the time of publication. Entries in this issue's list were selected from 2016 LCC list numbers 4, 5, and 6 (April 18, May 16, and June 20).

The full hierarchy is provided for new and revised classification captions to show their context within the classification. Numbers that appear in square brackets are not displayed in Classification Web browse screens. They are shown on this list only to indicate the location of the corresponding caption or reference within the classification.

The class letters (B, BS, etc.) identify the schedule in which changes and additions have been made. This list also includes selected changes and additions outside the B–BX classes relating to religious topics or library science.
