This list of LC subject headings is selected from Weekly Lists 2005 nos. 31-39, accompanied by candidate DDC numbers from Edition 22. The purpose of the list is to provide the classifier assistance for topics of recent interest not mentioned explicitly in Edition 22.

The DDC numbers include all headings newly mapped to the 200 Religion Schedule, as well as others considered to be of interest to theological libraries. The list is not exhaustive, and the schedules and tables should be consulted before applying a number from this list.

## SECTION TWO, PART 2: LC CLASSIFICATION ADDITIONS AND CHANGES, B-BX

COMPILED BY ERIC FRIEDE

The entries in this list were selected from the Library of Congress, Cataloging Policy and Support Office's Library of Congress Classification Weekly List, 18 (May 3, 2006) to 29 (July 19, 2006).

“Weekly lists of additions and changes to the Library of Congress Classification are posted on the Cataloging Policy and Support Office web site as they are approved.” — “About the Weekly Lists” ([lcweb.loc.gov/catdir/cpso/wlcabt.html](http://lcweb.loc.gov/catdir/cpso/wlcabt.html)). The complete weekly lists are available at: [lcweb.loc.gov/catdir/cpso/cpso.html#class](http://lcweb.loc.gov/catdir/cpso/cpso.html#class)

The class letter identifies the schedule and edition to which changes and additions are made. “Existing lines provided as anchor points are shown in italics, with ellipses. An asterisk at the end of a line indicates a change in an existing number, caption, etc.” -- From the heading preceding each list. Changes are also highlighted in gray.

This list also includes some changes and additions outside the B-BX classes relating to religious topics or library science.

**ATLA OFFERS NACO TRAINING IN 2007**

NACO training takes place February 26 - March 2, 2007 in Chicago Illinois. Judy Knop, ATLA Digitization Coordinator, is the instructor. This is the fifth such training in the past ten years. There are currently eight active participants, and we hope to add additional participants to increase our contribution to the national Name Authority File in the area of religion. One of the main benefits to the local library is the reduction in catalog maintenance.

The underlying principle of the NACO program is that participants agree to follow a common set of standards and guidelines when creating or changing authority records in order to maintain the integrity of a large shared authority file. During the week of NACO training, these standards and guidelines are discussed and built upon with a view to streamlining processes while building a consistent and predictable file that will reduce the duplication of efforts of the global library community and maximize its resources.

The workshop consists of a study of the standards and guidelines in the morning, with time for practice in the afternoon. Participants will create authority records and will contribute them to the national Name Authority File during the week of training.

Requirements include institutional or personal membership in ATLA; 1-2 years cataloging experience; a letter of support from your supervisor or library director indicating a willingness to permit ongoing time for authority creation. To register, send an email to

[jknop@atla.com](mailto:jknop@atla.com) containing your name, title, institution, address, phone, fax, email, a statement summarizing your cataloging experience, a statement indicating what type of records you anticipate creating, and an indication of how many you might realistically expect to create in a given time period. Information on the availability of financial assistance will be forthcoming. For more information, contact Barbara Kemmis, Director of Member Services at [bkemmis@atla.com](mailto:bkemmis@atla.com) or 888.665.ATLA (toll free US/Canada).

## LIBRARY OF CONGRESS USER SURVEY

The Library of Congress is asking for your input. So that you don't forget—why don't you take a few minutes now to respond, if you haven't already:

<http://www.loc.gov/library/survey.html>

Chad Abel-Kops at the Library of Congress says the survey is guaranteed to be available through summer (end of August), but will be kept live as long as it takes to garner the specified number of respondents in each category for Outsell to do its analysis of the data.

The Library of Congress particularly needs responses from librarians (public), librarians and teachers (K-12), scholars (Bachelors degree and above), and publishers. The librarian (higher education) category has been satisfied, but librarians in higher education who have not yet completed the survey are still welcome to do so. Other folks at your institutions, such as faculty, are also encouraged to take the survey.

If, after taking the survey, you feel it did not adequately measure your opinions, you may send additional comments to the survey's liaison at Outsell, Sheila King, at: [sking@outsellinc.com](mailto:sking@outsellinc.com).

Considering the massive changes coming soon in our field, it is essential to make our voices heard now.
