Theology Cataloging Bulletin, a quarterly newsletter of the Technical Services Section of the American Theological Library Association, is published during the months of November, February, May, and August. It contains listings of new and changed subject headings and classification numbers in appropriate subject areas as well as other information of interest to religion/theology catalogers.

The subject headings in section one of each issue are selected by Hal Cain (Joint Theological Library, Melbourne, Australia) from the Library of Congress' *Subject Headings Weekly Lists*. Section two contains Library of Congress Subject Headings/DDC Numbers of Current Interest, prepared by Paul Osmanski (Marist College Library, Washington, DC), and Library of Congress Classification Additions and Changes, prepared by Eric Friede (Yale University Divinity School, New Haven, CT). The general information in this publication (section three) is edited by Lynn Berg (New Brunswick Theological Seminary, New Brunswick, NJ). Submissions for the newsletter should be sent to Lynn Berg at the following address:

**Section One: New and Changed Subject Headings
from the Library of Congress Weekly Lists**
compiled by Hal Cain

The subject headings in this list were selected from recent Library of Congress Subject Headings Weekly Lists, available on the Library of Congress web site at:

<http://lcweb.loc.gov/catdir/cpsd/cpsd.html#subjects>.

The following conventions are used, as in previous lists:

Headings are in a single alphabetical sequence, preceded by MARC tags. The record number (Library of Congress control number) follows the heading. The absence of the instruction [May Subd Geog] means that the heading is **not** to be further divided by place.

compiled by Paul Osmanski

This list of LC subject headings is selected from Weekly Lists 2002 no. 28, 30–33 and accompanied by candidate DDC numbers from Edition 21. The purpose of the list is to provide the classifier assistance for topics of recent interest not mentioned explicitly in Edition 21.

The DDC numbers include all headings newly mapped to the 200 Religion Schedule, as well as others considered to be of interest to theological libraries. The list is not exhaustive, and the schedules and tables should be consulted before applying a number from this list.

Section Two, Part 2: LC Classification Additions and Changes, B-BX
compiled by Eric Friede

The entries in this list were selected from the Library of Congress, Cataloging Policy and Support Office's Library of Congress Classification Weekly List, 45 (November 6, 2002) to 5 (January 29, 2003).

"Weekly lists of additions and changes to the Library of Congress Classification are posted on the Cataloging Policy and Support Office web site as they are approved. This information was formerly made available in a quarterly publication entitled LC Classification: Additions and Changes. That publication ceased with List 284 (October–December 2001)."—"About the Weekly Lists" (lcweb.loc.gov/catdir/cpso/wlcabt.html). The complete weekly lists are available at: lcweb.loc.gov/catdir/cpso/cps.html#class.

The class letter identifies the schedule and edition to which changes and additions are made. "Existing lines provided as anchor points are shown in italics, with ellipses. An asterisk at the end of a line indicates a change in an existing number, caption, etc."—From the heading preceding each list.

This list also includes some changes and additions outside the B-BX and KBR/KBU classes relating to religious topics.
