Theology Cataloging Bulletin, a quarterly newsletter of the Technical Services Section of the American Theological Library Association, is published during the months of November, February, May, and August. It contains listings of new and changed subject headings and classification numbers in appropriate subject areas as well as other information of interest to religion/theology catalogers.

The subject headings in section one of each issue are selected by Hal Cain (Joint Theological Library, Melbourne, Australia) from the Library of Congress' *Subject Headings Weekly Lists*. Section two contains Library of Congress Subject Headings/DDC Numbers of Current Interest, prepared by Paul Osmanski (Marist College Library, Washington, DC), and Library of Congress Classification Additions and Changes, prepared by Eric Friede (Yale University Divinity School, New Haven, CT). The general information in this publication (section three) is edited by Lynn Berg (New Brunswick Theological Seminary, New Brunswick, NJ). compiled by Hal Cain

New and Changed Subject Headings

The subject headings in this list were selected from the Library of Congress Subject Headings Weekly Lists, available on the Library of Congress web site at:
<http://lcweb.loc.gov/catdir/cpso/cpso.html#subjects>.

This list consists of headings selected from the Library's lists numbers 27 to 39 of 2002.

The following conventions are used, as in previous lists:

Headings are in a single alphabetical sequence, preceded by MARC tags. The record number (Library of Congress control number) follows the heading. The absence of the instruction [May Subd Geog] means that the heading is not to be further divided by place.

The following print constants appear:

UF = Used For
BT = Broader Term
RT = Related Term
SA = See Also

* Asterisks mark lines (or paragraphs) that are CHANGES.

Selected changes to free-floating subdivisions are at the end of the list.

Section Two, Part 2: LC Classification Additions and Changes, B-BX
compiled by Eric Friede

The entries in this list were selected from the Library of Congress, Cataloging Policy and Support Office's Library of Congress Classification Weekly List, 32 (August 7, 2002) to 44 (October 30, 2002).

"Weekly lists of additions and changes to the Library of Congress Classification are posted on the Cataloging Policy and Support Office web site as they are approved. This information was formerly made available in a quarterly publication entitled LC Classification: Additions and Changes. That publication ceased with List 284 (October-December 2001)."—"About the Weekly Lists" (lcweb.loc.gov/catdir/cpso/wlcabt.html). The complete weekly lists are available at: lcweb.loc.gov/catdir/cpso/cps.html#class.

The class letter identifies the schedule and edition to which changes and additions are made. "Existing lines provided as anchor points are shown in italics, with ellipses. An asterisk [*] at the end of a line indicates a change in an existing number, caption, etc."—From the heading preceding each list.

This list also includes some changes and additions outside the B-BX class relating to religious topics.
