Technical Services Section  
American Theological Library Association

*Theology Cataloging Bulletin*, a quarterly newsletter of the Technical Services Section of the American Theological Library Association, is published during the months of November, February, May, and August. It contains listings of new and changed subject headings and classification numbers in appropriate subject areas as well as other information of interest to religion/theology catalogers.

The subject headings in section one of each issue are selected by Hal Cain (Joint Theological Library, Melbourne, Australia) from the Library of Congress' *Subject Headings Weekly Lists*. Section two contains Library of Congress Subject Headings/DDC Numbers of Current Interest prepared by Paul Osmanski (Marist College Library, Washington, DC) and Library of Congress Classification Additions and Changes prepared by Eric Friede (Yale University Divinity School, New Haven, CT). The general information in this publication (section three) is edited by Lynn Berg (New Brunswick Theological Seminary, New Brunswick, NJ). Submissions for the newsletter should be sent to Lynn Berg at the following address:

**Section One: New and Changed Subject Headings  
from the Library of Congress Weekly Lists**  
compiled by Hal Cain

The subject headings in this list were selected from the Library of Congress Subject Headings Weekly Lists, available on the Library of Congress web site at: <http://lcweb.loc.gov/catdir/cpso/cpso.html#subjects>

This list consists of headings selected from the Library's lists numbers 1 to 13 of 2002; in fact nos. 11 and 12 were not produced, as the library was installing an upgrade of their catalogue system.

The following conventions are used, as in previous lists:

Headings are in a single alphabetical sequence, preceded by MARC tags.  
The record number (Library of Congress control number) follows the heading.  
The absence of the instruction [May Subd Geog] means that the heading is **not** to be further divided by place.

The following print constants appear:

UF = Used For  
BT = Broader Term  
RT = Related Term  
SA = See Also

\* Asterisks mark lines (or paragraphs) which are CHANGES.

Selected changes to free-floating subdivisions are at the end of the list. I have also included a note from Weekly List 8, regarding changes in the style for names of battles.

## CHANGE OF POLICY FOR NAMES OF BATTLES

Beaver Dam Creek, Battle of, Va., 1862; Gaines' Mill, Battle of, Va., 1862

Consideration and discussion of the variety of headings for battles have caused CPSO to adopt a uniform practice for formulating these headings that will bring them in line with the general guidelines for establishing phrase headings for events in H 1592 sec.4. Henceforth, headings for battles will be established as event headings, using the form of name of the battle found in the sources consulted. If a battle name appears in natural language form as "Battle of [...]," "Battle of the [...]," or "Battles of [...]," the heading will be inverted to bring the substantive portion of the name into the initial position. Appropriate jurisdictional geographic qualifiers and dates will be added in accordance with the normal practice for events given in H 1592, sec.4.b. and sec.4.c.

For the next update to the Subject Cataloging Manual: Subject Headings, which should be available later this spring, the instruction sheet on battles, H 1285, will be revised to reflect this change in policy.

As a project, CPSO will revise existing headings for battles that were established based on place names in various forms: some without geographic qualifiers, others with place names in AACR1 form, and most with AACR2 parenthetical qualifiers.

**Section Two, Part 1: Library of Congress Subject Headings/  
DDC Numbers of Current Interest**  
compiled by Paul Osmanski

This list of LC subject headings is selected from Weekly Lists 2001 nos. 45, 47-51 and accompanied by candidate DDC numbers from Edition 21. The purpose of the list is to provide the classifier assistance for topics of recent interest not mentioned explicitly in Edition 21.

The DDC numbers include all headings newly mapped to the 200 Religion Schedule, as well as others considered to be of interest to theological libraries. The list is not exhaustive, and the schedules and tables should be consulted before applying a number from this list.

SUBJECT HEADING	CALL NUMBER
Christian saints--Legends	270.092, 398.22
Latin schools	373.242
Martyrdom in literature	T3C--382, 808.80382, 809.93382
Unforgiving servant (Parable)	226.8
Wilgefortis (Legendary saint)	398.22

**Section Two, Part 2: LC Classification Additions and Changes, B-BX**  
compiled by Eric Friede

The entries in this list were selected from the Library of Congress, Cataloging Policy and Support Office's Library of Congress Classification Weekly List, 01 (January 2, 2002) to 17 (April 24, 2002).

"Weekly lists of additions and changes to the Library of Congress Classification are posted on the Cataloging Policy and Support Office web site as they are approved. This information was formerly made available in a quarterly publication entitled LC Classification: Additions and Changes. That publication ceased with List 284 (October-December 2001)." -- "About the Weekly Lists" ([lcweb.loc.gov/catdir/cpso/wlcabt.html](http://lcweb.loc.gov/catdir/cpso/wlcabt.html)). The complete weekly lists are available at: [lcweb.loc.gov/catdir/cpso/cpso.html#class](http://lcweb.loc.gov/catdir/cpso/cpso.html#class)

The class letter identifies the schedule and edition to which changes and additions are made. "Existing lines provided as anchor points are shown in italics, with ellipses. An asterisk at the end of a line indicates a change in an existing number, caption, etc." -- From the heading preceding each list.

This list also includes some changes and additions outside the B-BX class relating to religious topics.

Pat Brown from Lifeway Christian Resources and Kathy Sylvest from Southern Baptist Historical Library & Archives have written an updated version of the Baptist Denominational Material. The resource they have created will be a help especially to non-specialists in Baptist material. The resource can also serve as a model for other ATLA denominational groups who have an interest in creating their own pages. The URL is: [http://www.atla.com/tsig/denomination\\_mat/baptistindex.html](http://www.atla.com/tsig/denomination_mat/baptistindex.html)

## PRELIMINARY THOUGHTS

"History is always an invention; it is a fairy tale built upon certain clues."

--Quotation of Peter Hoeg, from his *The history of Danish dreams*, in the preface to *Resolving personal & organizational conflict* by Kenneth Cloke, and Joan Goldsmith.
