Theology Cataloging Bulletin, a quarterly newsletter of the Technical Services Section of the American Theological Library Association, is published during the months of November, February, May, and August. It contains listings of new and changed subject headings and classification numbers in appropriate subject areas as well as other information of interest to religion/theology catalogers.

The subject headings in section one of each issue are selected by Hal Cain (Joint Theological Library, Melbourne, Australia) from the Library of Congress' *Subject Headings Weekly Lists*. Section two contains Library of Congress Subject Headings/DDC Numbers of Current Interest prepared by Paul Osmanski (Marist College Library, Washington, DC) and Library of Congress Classification Additions and Changes prepared by Eric Friede (Yale University Divinity School, New Haven, CT). The general information in this publication (section three) is edited by Lynn Berg (New Brunswick Theological Seminary, New Brunswick, NJ). Submissions for the newsletter should be sent to Lynn Berg at the following address:

**Section One: New and Changed Subject Headings
from the Library of Congress Weekly Lists**
compiled by Hal Cain

The subject headings in this list were selected from the Library of Congress Subject Headings Weekly Lists, available on the Library of Congress web site at: <http://lcweb.loc.gov/catdir/cpsoc/cpsoc.html#subjects>

This list consists of headings selected from the Library's lists numbers 14 to 26.

The following conventions are used, as in previous lists:

Headings are in a single alphabetical sequence, preceded by MARC tags.
The record number (Library of Congress control number) follows the heading.
The absence of the instruction [May Subd Geog] means that the heading is **not** to be further divided by place.

The following print constants appear: UF = Used For
 BT = Broader Term
 RT = Related Term
 SA = See Also

* Asterisks mark lines (or paragraphs) which are CHANGES.

Selected changes to free-floating subdivisions are at the end of the list.

I hope that this service will continue to be useful to catalogers in theological collections.

Please send suggestions or comments to me at: hal.cain@ormond.unimelb.edu.au or by mail to: Hal Cain, Joint Theological Library, Parkville, Victoria 3052, Australia; or faxed to: +61 3 9349 1857.

In this group are included systematic changes to headings for **Retreats**. This term now appears to have gained a more general currency – enterprises take their staff on a retreat to help formulate a “mission statement” and to sharpen their focus – so the general term for the religious kind of retreat has now been changed to **Spiritual retreats**, and the dependent terms have changed accordingly.

A number of the entries in this list illustrate the fact in the LCSH system the subdivision – **Religious aspects** is not a free-floating subdivision, but a new heading has to be established for each case.

Scope notes for denominational group headings (such as **Presbyterian Church**) have been slightly revised.

compiled by Paul Osmanski

This list of LC subject headings is selected from Weekly Lists 2001 no. 09-20 and accompanied by candidate DDC numbers from Edition 21. The purpose of the list is to provide the classifier assistance for topics of recent interest not mentioned explicitly in Edition 21.

The DDC numbers include all headings newly mapped to the 200 Religion Schedule, as well as others considered to be of interest to theological libraries. The list is not exhaustive, and the schedules and tables should be consulted before applying a number from this list.

**WEB SITES PROMOTING RELATIONS BETWEEN
INTERNATIONAL STUDENTS AND LIBRARIES**

If you interact with international students at your institution, some of these links provided by Sandy Chen (Technical Services Librarian, Dana Dawson Library, Saint Paul School of Theology) may provide you with insights into bridging the cultural divide. Sandy wishes to share these sites that she obtained from the Library Instruction Round Table (LIRT) at the 2001 Summer Workshop of the Kansas Library Association. She hopes the information will help librarians to understand international students, care for their feelings, and instruct them in the use of libraries.
