Section One: New and Changed Subject Headings

Compiled by Ann Heinrichs

The subject headings in this list were selected from the monthly Library of Congress Subject Headings (LCSH) Approved Lists. LC's Policy and Standards Division posts these lists on the Library of Congress Cataloging and Acquisitions web site at: <http://www.loc.gov/aba/cataloging/subject/weeklylists/>.

The headings listed here reflect the most recent information available at the time of publication. Headings in this issue's list were selected from LCSH list numbers 07 (2014: July 21), 08 (2014: August 18), and 09 (2014: September 15).

The following conventions are used, as in previous lists:

Subject headings are in alphabetical order. Those **without** the instruction [May Subd Geog] are **not** to be further divided by place. The number in square brackets is the Library of Congress Control Number (LCCN) for that heading's authority record (not the ARN/Authority Record Number).

All lines begin with their MARC tag. Most headings are followed by other MARC fields in the authority record (e.g., 450, 550), along with explanatory abbreviations:

UF = Used For

BT = Broader Term

RT = Related Term

SA = See Also

Relevant changes to free-floating subdivisions and genre/form terms, if any, are at the end of the list.

Section Two: LC Classification Additions and Changes, B-BX

Compiled by Ann Heinrichs

The entries in this list were selected from the monthly Library of Congress Classification (LCC) Approved Lists. LC's Policy and Standards Division posts these lists on the Library of Congress Cataloging and Acquisitions web site at: <http://www.loc.gov/aba/cataloging/classification/weeklylists/>.

Items listed here reflect the most recent information available at the time of publication. Entries in this issue's list were selected from LCC list numbers 07 (2014: July 14), 08 (2014: August 11), and 09 (2014: September 8).

The full hierarchy is provided for new and revised classification captions to show their context within the classification. Numbers that appear in square brackets are not displayed in Classification Web browse screens. They are shown on this list only to indicate the location of the corresponding caption or reference within the classification.

The class letters (B, BS, etc.) identify the schedule in which changes and additions have been made. This list also includes selected changes and additions outside the B-BX classes relating to religious topics or library science.

THESAURUS OF RELIGIOUS OCCUPATIONS

The Best Practices Task Force released the second draft of the *Thesaurus of Religious Occupations* for comments. The purpose of this thesaurus is to provide a list of standardized vocabulary for relevant occupations which can be used to populate MARC field 374 Occupation in personal name authority records. The current source for standard terms, *Library of Congress Subject Headings*, does not contain sufficient terms specific to the field of religion. Once the *Thesaurus* is published as a new standard, the abbreviation of the standard can then be used in subfield 2 Source of term.

The principles used to guide the construction of the *Thesaurus* are:

1. Only include religious occupations which might be necessary for writers.
2. Combine occupations into broad categories which can be paired with the 372, 373 and 375 fields to bring specificity.
3. Use *LCSH* terms where available.
4. Avoid use of gender specific terms where possible. Pair with 375 to provide gender specific terms.
5. Avoid use of denomination specific terms, again pairing searches with the 372 and 373 to provide denominational specific results.
6. Include titles such as Reverend as see references only when they have been or are likely to be used, incorrectly, as occupations.
7. Use plural terms to be consistent with *LCSH*.

The draft is accessible from the ATLA website under the Community tab. To access the draft, after signing in, click on SharePoint for Members > Groups/Benefits. Links to the NACO Funnel Participants and Technical Services pages are on the right side of the page. Click on either link then click on Shared Documents in the column on the left side of the page. The document is called Draft of Religion thesaurus. Alternatively, contact Judy Knop (jknop@atla.com) for access to the document or to make comments or suggest additional terms.

CHANGING HOLY SPIRIT FROM A TOPICAL TERM TO A PERSONAL NAME

A proposal was made to create a name authority record and cancel the subject authority record for Holy Spirit in accordance with the definition of person in RDA 9.0 which includes fictional and non-human persons. Discussion has been both theological and practical with the preponderance of opinion in favor of keeping Holy Spirit as a subject authorized heading. LC Policy Office was queried, but so far no comment has been received. If you would like to participate in the discussion, please comment on the atlatech or NACO discussion lists.
